

## **DISTINCTIVENESS IN CONTEXT TO THE VISION**

The institution has taken prompt steps for student focused activities both in the arena of academics and extra curricular activities. The students are encouraged to actively participate in inter institutional activities both at international and national platform. They are exposed to the various options to pursue their academic career after bachelors program and widen their scope. The students are exposed to mock test by our alumni so as to prepare them for national competitive exams. To further excel in future undergraduate and post graduate students are made to attend all the academic activities organized in the institute. The students are encouraged to attend inter institutional cultural and sports programs for further grooming and shaping their personality.
